INTRODUCTION OF THE DENNING INTERNATIONAL FOUNDATION COLLEGE

Denning International Foundation College (DIFC) is one of the first ever pre-university foundation college in Sindh, offering three distinctive college-level programs: GCE A-levels, International Foundation, and BTEC International Level 3. As the first of its kind in the region, DIFC provides a unique opportunity for students who have completed O-Levels, Matriculation, or Intermediate to further their academic pursuits and prepare for higher education. At DIFC, we understand that every student is unique, with different strengths, aspirations, and academic backgrounds. That's why our experienced counselors are dedicated to guiding each individual through the enrollment process, helping them choose the program that best aligns with their goals and abilities.

Whether students aim to pursue a degree in law, computer science, business, accounting and finance or any other field, DIFC offers a tailored approach to education, ensuring that they receive the necessary support and resources to excel academically and prepare for their future endeavors. With a commitment to excellence and innovation, DIFC empowers students to reach their full potential and achieve success in their academic and professional lives.

Moreover, DIFC prides itself on its modern facilities, dedicated faculty members, and innovative teaching methodologies that foster critical thinking, creativity, and collaboration among students. From state-of-the-art classrooms to well-equipped laboratories and libraries, we provide students with the resources they need to excel in their studies and explore their interests.

Beyond academics, DIFC offers a vibrant campus life with opportunities for extracurricular activities, sports, and cultural events, allowing students to develop leadership skills, build friendships, and enrich their overall college experience.

VISION

Our vision is to become a leading multi-disciplinary institute that fosters intellectual curiosity, inspires innovation and prepares students to make meaningful contributions to their communities and the world. We strive to create a collaborative and inclusive learning environment that nurtures the whole person, cultivates a lifelong love of learning and empowers individuals to realise their full potential.

MISSION

Our mission is to provide a transformative learning experience that empowers students to reach their full potential. Through innovative and student-centred teaching, experiential learning opportunities, and a commitment to diversity, equity, and inclusion, we aim to prepare graduates who are knowledgeable, ethical and equipped to lead in a complex and rapidly changing world.

BTEC

INTERNATIONAL LEVEL 3

ABOUT BTEC QUALIFICATION

The BTEC qualification is a two-year qualification which is pursued immediately after O-Levels / Matriculation that provides practical skills and knowledge in various subjects. It is offered by Pearson UK. BTEC offers hands-on learning experiences for students. BTEC programmes are locally and internationally recognized and are accepted by all the universities in the world, helping individuals develop skills relevant to their chosen career paths. The qualification is recognized globally and is equivalent to A-levels / Intermediate. In Pakistan, the qualification has IBCC Equivalence.

The distinctiveness of BTEC qualification lies in the emphasis it places upon experiential and practical learning opportunities, aligned with the gaps in practical skills by presenting a contemporary, career-oriented education with hands-on skills evaluation. The course of study consists of a range of modules that are purposefully structured to facilitate learners' capacity to progressively build their comprehension and expertise. Increasingly, employers and higher education institutions around the world are selecting candidates with BTEC qualifications, in recognition of their practical abilities and industry-specific knowledge.

RECOGNITION FROM THE INTER BOARD COMMITTEE OF CHAIRMEN (IBCC) IN PAKISTAN

The Inter Board Committee of Chairmen (IBCC) is responsible for coordinating the activities of regional examination boards in Pakistan. It is also responsible for granting equivalence to foreign qualifications with corresponding qualifications in Pakistan.

The IBCC has for many years recognised Pearson Edexcel's academic qualifications such as International GCSEs A levels, BTEC International level 3 and International Advanced Levels (IALS).

ABOUT PEARSON UK

Pearson UK is a leading educational qualification provider based in the United Kingdom, specialising in developing academic qualifications for students and institutions worldwide. Pearson has a rich history and has become a global education leader.

Pearson is committed to innovation and invests heavily in research and development to create new and effective ways of teaching and learning. It also works closely with educators and institutions to ensure that its products and services meet the needs of learners and are aligned with the latest educational standards and practices.

Overall, Pearson UK is dedicated to making education more accessible, effective, and engaging for learners worldwide. It continues to be a leader in the field of education both in the UK and globally.

A-LEVELS

A-LEVEL AT DIFC

The GCE A-Levels is a pivotal academic qualification offering in-depth knowledge in specific subjects. Its importance lies in its role as a gateway to higher education, enabling students to specialize in areas of interest. This specialization prepares students for university-level studies, fostering critical thinking and subject mastery. By providing a solid foundation in chosen subjects, A-Levels pave the way for future academic and career progression, equipping students with skills and knowledge essential for success in various professional fields. The program is assessed through internal and external British Council invigilated examination

FEE STRUCTURE

TESTIMONIALS

Rija Ali

As a Denning International Foundation College student, I acquired valuable skills, including leadership and assertiveness. This enlightening journey has honed my abilities and paved the way for my upcoming educational endeavours.

Musawar Odho

Studying at Denning has been a privilege that I am grateful for. It has groomed me and upgraded my perspective regarding career prospects. It has been a lively and energetic journey, where I was taught under the supervision of highly qualified teaching staff along with extracurricular activities that have polished my abilities and strengthened my skills in the best way possible.

Vivian J Dean

I have always been passionate about gaining international knowledge and I am fortunate to have found that DIFC offers the ideal pathway to achieve this goal.

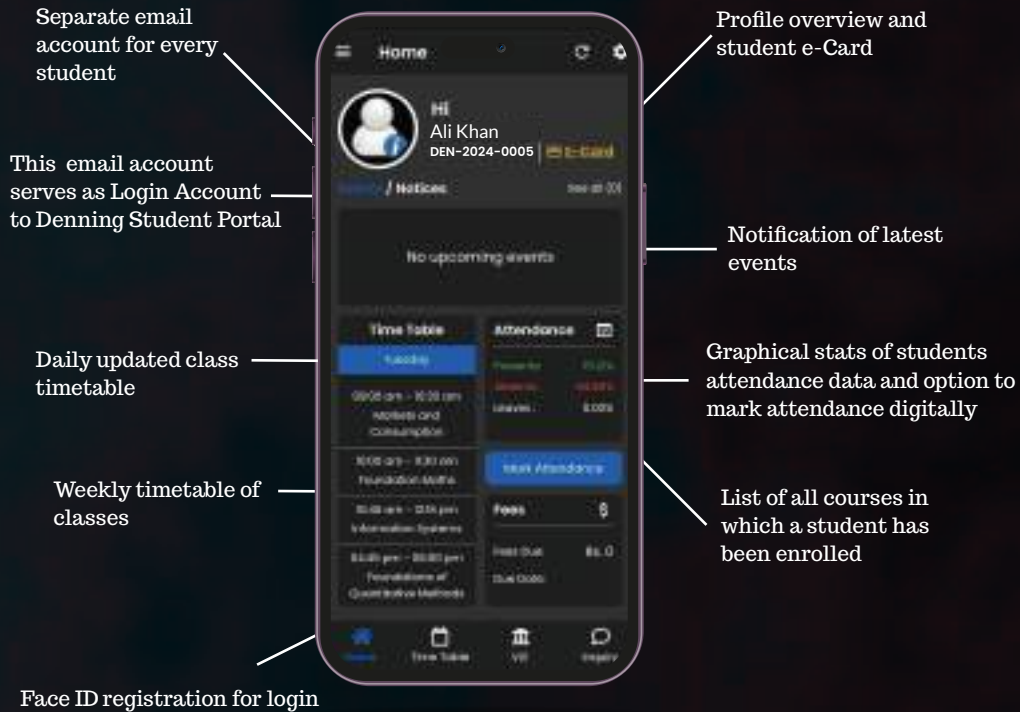

DIFC has helped me to develop a newfound appreciation and understanding of subjects that I previously struggled with. I have had an incredible academic and social experience during my time at Denning.

Rabia Makani

The exceptional academic support and guidance provided by the lecturers at DIFC was one of the primary reasons behind my decision to enrol at the institution. Thanks to DIFC's extensive assistance, I was able to enhance my academic abilities significantly, which will undoubtedly benefit me in any future academic environment.
